

## Our Annual Events

**Green Flash:** Our latest fundraiser is an all day event featuring an intriguing variety of activities, such as boat tours, kayaking, scavenger hunt, auctions, music, gourmet hors d'oeuvres, a sunset toast, followed by a bonfire and storytelling on the beach.

**Wildlife & Wildlands Art Show:** Is an event showcasing the natural and cultural resources of Florida through artistic expression in an all natural environment.

**Nature Festival:** A day of activities for families include shell seekers, face painting, maze and sand critters.. Many opportunities for learning with displays from groups like Collier Waste Management, Fish and Wildlife Commission, Florida Water Management, other Florida State Parks and much more. The Junior Ranger program is also conducted for children.

**Resident Artist:** The program started in 2007, has been a win-win situation for both the artists and the Park. We have been fortunate to retain some of the finest artists in Southwest Florida. The One-Person-Art-Show showcases the artist's work, accomplished at the Park during their year as Resident.
