

2018 Wildlife & Wildlands Art Show

The **Friends of Delnor-Wiggins Pass State Park** hosted the 20th annual Wildlife & Wildlands art show at the picnic area 3 on Saturday January 20, 2018. Twenty artists displayed their art to our visitors. Since this event is our primary fund-raiser, good weather is a must; event co-chairs Kathy Foster and Valerie Thompson guaranteed this – and we had a beautiful day with good show traffic.

Our new Resident Artist, Gary Wilson, was presented with the traditional artist's chair with his name on it and he provided a spectacular booth with his unique fusion stained glass. Thanks to all our artists.

Three bands continuously entertained our visitors throughout the day

Almost 30 Friends volunteered their time to make this event a success. Duties were wide-ranging from set-

up, parking, greeting, manning the Friends table, Drawing of Chance table, running the popcorn and ice cream sales and take down. And a big thank you

to those artists, vendors and Friends who donated items for our drawing. We especially appreciate the help from our perennial sponsor Royal Scoop Ice Cream.

And we would be remiss in not mentioning our Park Rangers and especially Park Services Specialist Lori HeathThorn who provided invaluable coordination between the Friends, artists and Park Staff.

Looking forward to next year! Save the date January 19, 2019.
